Intern Javascript Servicenow

Thu Duc Campus of HUTECH

Sunday

24 March, 2023

Dear DXC Technology

I am writing to express my interest in the Javascript intern position with DXC Technology. As a final year student majoring in Computer Science, I am eager to apply my skills and knowledge in a real-world setting and learn from industry professionals.

My coursework and experience have given me a strong foundation in Javascript, including programming concepts and techniques, as well as a familiarity with various Javascript frameworks and libraries. I am confident that I can contribute to your team and help support your projects.

In addition to my technical skills, I am a highly motivated individual with excellent communication and interpersonal skills. I am a quick learner and have a strong work ethic, which I believe will enable me to make a positive impact on your team.

Thank you for considering my application. I am excited about the possibility of interning with DXC Technology and look forward to the opportunity to further discuss my qualifications with you.

Sincerely,

Thành
